1. New location for CLASC Membership meetings!

Mario's in Webster is closed, so we went looking for a new venue. We found it at the South Shore Harbour Country Club. (Not at the Hotel by the water, but the Club by the golf course.) Mark your calendar for September 11th Kickoff meeting. Watch for the Evite. And to get a sneak preview...

2. August Happy Hour, Friday, Aug 21, will be at the bar at the South Shore Harbour Country Club! Just go in the main gate at South Shore and tell the guard that you're going to the restaurant/bar. Watch for the Evite with details and map.

3. Info on Snowmass trip – Early cancellation deadline and limited space

From Trip Leaders Dallas and Doodie: (and see attached flyer)

- - -

Hello fellow skiers,

We are forwarding information for the TSC Traditional Snowmass trip a bit early due to a 9/11/15 lodging cancellation deadline. Saturday, January 9, 2016 we will fly United to Grand Junction followed by a ~2hour bus ride to Snowmass. We decided to take this route due to the most often 'iffy' weather flying into Aspen and a much shorter bus ride than Denver. CLASC will stay in ski-in, ski-out, 2 bedroom, 2 bath condos at the Interlude Condominiums. Elevators are one of the amenities. The contract also states there shall be no bunk rooms used. Presently we have five condos with **little chance** to expand (per tour op). The already interested (almost paid deposit folks) are Goodwins, Taylors, Steve Gaylor, Tom Raines, Carol Oeller, Dallas Ives, John Glow.

The full package is \$1640, ground with bus \$1193 and ground no bus \$1038.

Should you be interested in skiing with us in Snowmass, please send a \$50 deposit (fully refundable until the kick-off meeting September 11, 2015) as soon as possible. The date the checks are received determines your place in the **20 available spots on the trip**. Mail your checks, payable to CLASC, to Doodie Taylor

4. Volunteer Appreciation Party

Saturday, August 15, is the date for the 2015 CLASC Volunteer Appreciation Party, as we thank everyone who volunteered their time and effort to make CLASC great! Watch for the Evite with details.

Staying cool, thinking about SNOW!
