Trip Updates (Most details are on the web page, but the web page 'updaters' are going on the Danube trip, so be patient.)

Danube: CLASC is taking 38 excited folks on the Danube bike and cruise this week and next. We're the largest group among the 131 total TSC participants. We'll tell ya'll all about at the October meeting!

Vail, Jan 7-14: There are still a few openings for Vail.

La Plagne, France, Jan 21 - 29: We have room for 9 more, including 3 single rooms.

Keystone, Mar 12-16: Spring Break trip with special values available for youth.

BVI Sailing trip, May 6-13: We now have three full boats!! Wait list is available in case someone has to cancel off.

Iceland, Aug 24 – 31: Plans are shaping up for next year's Summer Expedition. Plenty of space still available.

Due to a lack of interest CLASC has cancelled participation in the TSC Winter Shootout trip to Heavenly/Lake Tahoe and in the TSC Final Showdown trip to Telluride. If you are still interested in either trip, several other clubs are still running both of these trips. Membership reciprocity is available, meaning that CLASC members could travel with another club without needing to also join that club.
