

CLASC Bulletin – 06-05-15

Howdy!

School's out - Watch out for those kids roaming the streets.

1. Breaking News!! Free Houston Symphony Concert next Wednesday, June 10, 8:00 p.m. at Clear Falls High School in League City. (Off of 96/League City Parkway just west of 146).

2. More Breaking News!! The Spring Break ski trip will be to Copper Mountain, Colorado. March 12 – 16 (or 13-17, or full week if preferred.) This trip is being hosted by Capital Ski and Adventure Club, and all TSC member clubs can attend. Stay tuned for more details!

3. We need Trip Leaders!

Here's who we have so far:

TSC Winter Shootout to Sun Peaks - TL Dan Willett

TSC Summer Expedition to Bike/Cruise the Danube – TL Keith Zimmerman

We will continue to make plans for any trip for which we have a TL by July 1 (when contracts and deposits are due). Give Gayle a call.

4. Breaking News (of the not so good kind). Mario's Pizza in Webster is closed. We need a new meeting location. Criteria:

- a. Meeting space for 30-40 people.
- b. Space for tables for trips, etc.
- c. Beverage service preferred. :) Even better if food service is handy.
- d. Low/no cost!

Restaurant location would need to have a separate room (with door/partition that closes).

Let us know if you have any good ideas!

Enjoy all of this beautiful sunshine! !! They're still skiing at Mammoth Mountain!
