1. Any golfers out there?

The CLASC Activities coordinators are working to schedule a golf scramble for the club. It will be a “for-fun” event and players will play best ball out of four. The pairings will be random. The day of the week will be dependent on who is interested in playing – weekday vs. weekend. If you are interested, please contact Chris Rubly , cerubly1@verizon.net.

2. Shrimp Boil

October is here, and it’s time for the Annual CLASC Shrimp Boil. It will be Sunday, October 18, 3-7 p.m., at Taylorcrest Park (same location as past several years). Please reply to the EVITE to RSVP, so that we’ll know how much shrimp to buy. If you are interested in helping - setup, cook, cleanup, entertain – contact Laura lgheiman@aol.com or Chris cerubly1@verizon.net .

3. CLASC Club Sailing trip May 2017

Newly added to the CLASC (long-range) trip schedule!! Rick Heiman is leading this one week live-aboard sailing trip in the British Virgin Islands. A \$200 deposit holds your spot, refundable until May 2016. See the attached flyer for estimated cost and details.
