

President's Message

Welcome to the Clear Lake Area Ski Club (CLASC) website. Our Board is excited to present the excursions for our 2017 season. CLASC is not only a snow skiing club; we also have exciting excursions and social activities for all. This past May we had an exciting sailing trip on private 58 ft. catamarans in the British Virgin Islands. For our 2017-18 season we have skiing trips scheduled for Steamboat, Beaver Creek and Park City. Next year an excursion to Patagonia in the Chile and Argentina area is planned. We are also planning a cruise along the Croatian coastline. As a member for more than 25 years, I've had the privilege to ski at more than 20 resorts and participate in excursions to the Middle East, the Galapagos' Islands, and South Africa. For those ending their work careers, CLASC is the perfect opportunity to socialize with other's who dive, cycle, and golf and of course, ski. Please visit us at one of our monthly meetings held at South Shore Harbour Country Club or send us an email at clascskiers@gmail.com. See our calendar for meeting details.

Sincerely,
Ken Stuchly
